

Dear Valued Customer,

**Maria's is back!** The traditions and legendary homemade pasta recipes are now available at our new larger facilities back where we started in Clifton, NJ. We have added Nonna to our name in honor of the family's affection for Maria!

Nonna Maria's homemade pasta, ravioli, sauces and take home meals are homemade with fresh, wholesome ingredients, just as they were when Maria first opened her doors half a century ago. Her recipes and cooking as well as her pleasant smile and love of people have surely endured for generations.

Back in 1953, Maria Leonardi opened a small shop called Maria's Ravioli, producing and selling a variety of pasta products and sauces, all made from fresh ingredients on the premises. Dishes enjoyed for generations in villages throughout Italy inspire our menu, giving Nonna Maria's its authentic Italian fare.

**Nonna Maria's is now offering a full service offering to supermarkets/grocery and restaurant customers. We have included a product and packaging list for your review. Please contact Joy Langevin at 973-472-3600 for complete pricing!**

Thank you for your interest!
